

# MCC-BANNER POLE

DESIGNERS AND MANUFACTURERS OF  
URBAN STREETWARE AND LIGHTPOLES

# GOLDSPAR

A prestige, stepped pole, the MCC banner pole comes in 8.5 and 10.5 metre heights to carry free-flowing banners up to 4500x2500mm.

Available in clear anodised or powder coated finish, the MCC banner pole features prominently outside the National Art Gallery in Canberra.

Internal halyard operation is protected by a lockable access cover.

MCC banner poles are baseplate mounted with frangible bases available as an option.

### MCC Banner pole – specifications

H1	H2	D1	D2
8500	4000	100	150
10500	5000	100	150
